The main reason is it empowers the women.And the college is located middle of the city. The lecture and the education system is very good. I provides sports, labs and canteen facilities in the college. The college conducts webinars, seminars and other fest in the college which helps to develop the over all growth of the students.

Placement -

9 /10

We have a placement cell center where maam will give training to us that how to crack the interviews. Many MNC's are visited to employ the new talent in their companies.

This college is good for bbm, they have NCC, and many other circular activities. They encourage girls to be a part of everything and have many wonderful opportunities for our career. Lectures explain us in a way that we understand. They are very friendly.

Placement -

10 /10

We have a placement officer who is very good at providing us opportunities and encouraging us to opt what we want. We have almost 30 companies taking in our college students in. And I myself got placed in Amazon with a package of 2.8l per annum.

College is good because quality of education. Faculty members are good but sometimes it is not supportive. If you are not making it on internal or presentation due yo emergency you will have to miss the exam and it is not conducted again where as in other colleges they conduct intrnals even if one student is absent.
