## Our Chairman

**Mr. J. S. Patel**

Vidhyadeep Campus, Anita (Kim) is an outcome of the dream of Trustee Shree Jayantibhai Patel, Chairman Vidhyadeep Charitable trust, a visionary who had a desire to create an education system where even a deprived background student can get equal opportunity and motivation to learn and get education in order to become an excellent achiever.

The dreamer, Founder trustee, Shree Jayantibhai Patel, is down to earth person with human values from his childhood. He is an achiever and leader, an educational entrepreneur, knows how to translate his dream to reality. He analysed and observed very keenly the changing global scenario and its impact on surrounding areas of south Gujarat educational system especially in the field of Applied sciences, Engineering and Technical education. After the deep analysis in his mind, he thought to establish a best education facility in Anita (Kim) which includes best laboratory and workshops for practical experience. The Vidhyadeep campus is an outcome of his thoughts, where student are trained as a skilled professional and technocrat who can serve the Nation and society with dedication, values and proper mind-set.

Vidhyadeep Charitable trust has a vision to achieve excellence in the field of Engineering, Medical, Health care and research areas.

Our endeavor has been to emphasize "Student Centric" training with a view that the role of a teacher is as a facilitator; who helps students to "Learn the subjects" rather than merely conducting lectures in particular subject.
