[Best college in the world for students who want or are efficient](#)

Admission -

I passed out my ssc examination in the year of 2016 then there wasno entrance for the college it was on merit so I was qualified enough tothe merit by which I got admitted to the college the process was very tough.

Placement -

10 /10

Yes, those too were very awesome for placement there were thirty percent of my class students were place from our college and teachers guided us for the internship when we were nit known about it so it was cool enough.

The faculties must be trained just a bit tad more so that the students could learn more or atleast they could express what they are trying to indulge to the students. Cleaner washrooms is a necessity.
