From the final semester, students are eligible for campus placements. Only a very few companies visited the campus. Tulsi textiles which is chennai based is the better one among the 2-3 companies. Only 1-2 offers are made by the companies. 15000 per month is the maximum offered by the companies. Only very few students get placed. I am planning to go for higher studies abroad. (courses in fashion production)

Minimum 50% in class 12 examination is the eligibility criteria to get admission in GIET degree College. However, the admission is done on the basis of marks secured in GIET CET examination conducted by the college itself.

Placement -

8 /10

Guess, the college provides placement opportunities to the students of the final year in various companies. The college also helps and guides the students towards getting the internship in the intermediate years of their college.

Admission -

Boards and JEE score are required for admissions at IIHT, I secured an non Zero positive score in my JEE mains and a 60 percent in my boards, the minimum is only 45 percent, which majority of them can get.

Placement -

9 /10

Placements happen every year and a decent amount of students get placed, the T&P department train us well for facing the placements like aptitude and personality development sessions. Some of the companies hiring from here are Chennai silks, Mahaveer with a salary package of minimum 2 LPA.
