QUBA College of Engineering & Technology Admission

The College offers admission to students on a merit-basis for both UG and PG courses. Candidates for courses like B.Tech are selected on the basis of marks obtained in the 10+2 examination while candidates for courses like M.Tech, MBA, and MCA are selected on the basis of marks obtained in Bachelor's Degree.

How to Apply?

Candidates can either apply to this College online/offline. Interested candidates can get the form from the College office or can download it from a website. The application fee of INR 200 is to be paid by the candidate. The final

decision of admission will be taken by higher authorities or as per the rules of the College.

QUBA College of Engineering & Technology Facilities

To cater to the needs of students an environment-friendly campus has been equipped with all the basic facilities. Some of them are mentioned below:

- **Library:** The Library has been equipped with books, Audio Cassettes, CD's, VCD's, Walkman, CD & VCD players, etc. Other facilities like photocopy machine, scanning, computer & internet are also there in the library for the ease of students.
- **Internet Facilities:** STD/ISD/Intercom Facilities are available inside the College campus so that students can communicate with anyone. Apart from these, the 2MBPS internet connection facility is absolutely free of cost under the TEQIP program.
- **Canteen:** The College has a good canteen facility inside the campus which is open for all students, staff and other workers. Snacks, lunch, and beverages are available at reasonable rates.
- **Transport:** Well-maintained transportation facilities are available in the College for the local students and staff who come to College daily.
- **Stationery Store:** Stationery Store is placed within the campus where all the items of stationery like books, notebooks, pens, pencils are available at affordable prices.
- **Sports:** The College has a vast playground of 23 acres. Sports competitions are organized by College every year in the month of January. The College also has an exclusive playground area for indoor games.
- **Medical Facility:** The College has hired part-time male and female doctors to take care of the health of the students.

QUBA College of Engineering & Technology Faculty

STUDENT SATISFACTION RATINGS

Admission -

9 /10

Near by my home NICE INFRASTRUCTURE & COLLEGE SIR'S ALSO FRIENDLY.

Placement -

8 /10

There is no placement in our college regarding job opportunity it's depends upon students ability in short our college sucks. At everything from location to education they are only doing business. they don't provide any placement only students have to struggle to find a job.

STUDENT SATISFACTION RATINGS

[This is very good application.It gives more reward to us.](#)

Admission -

Through the EMCET i got seat in Quba college.This is best college for middle class people and above classes.In counselling i choose QCET as my choice.This very good environment college in Nellore.

Placement -

5 /10

Yes in my college every year the placement will be conducted. Few of the MNC companies and other companies will be conducting the placement.Lots of students will be selected many placements in my college.

[Excellent College.](#)

Entrance Preview -

I took EAMCET exam and i scored 88000 rank and this college is having very talented lecturers at that time.

Placement -

8 /10

Placements and job opportunities are really good. Most of the MNC companies came for placements and they did interviews and they have selected maximum students to work in their companies.

In EAMCET I have 80000 rank and i choose minority college for free seat. And also in minority colleges little bit good college comapre to some minorotiy colleges,thats why i choose this college.

Placement -

3 /10

In quba college of engineering thre is no placements in past years but in 2012 batch 2 companys are came like convergys,some other it company,later i dont know weather placements are done or not.
