A SPRAWLING 65 ACRES LUSH GREEN CAMPUS

Welcome to Neelkanth Group of Institutions

At NGI you will learn how to transform the future—for yourself, your community and your industry. Your degree will be supported by NGI's overseas reputation for excellence.

We are one of the leading institution, with first-class academics, inspirational teaching and a great track record for employability. We also have some of the most satisfied students studying and living on our attractive campus in the heart of Meerut.

In today's competitive job market a good degree from a top institution like NGI is more important than ever. Spanning the Management, Business, Engineering, Polytechnic or NGI Private ITI our courses prepare you for professional life by building transferable skills into the curriculum.

But NGI is about more than how much you'll earn – it's about new experiences and people, broadening your outlook and intellectual discovery. Whether it's management, economics, engineering or physics, your course will be interesting, relevant and informed by the very latest academic research.

NGI graduates go on to a range of rewarding careers, from operations manager, sales managers, cost estimator, engineers, teachers and independent consultants. We will help you to develop the skills and confidence to follow in their footsteps. We have close links with big employers in the country and last year over 80 organisations visited us, including TATA, HDFC BANK, Tech Mahindra, HCL, United Sprites and AON Hewitt.

NGI HIGHLIGHTS

- Exciting Range of Programmes
- Quality Research
- International Reputation
- Funding Support
- Proven Employability Outcomes
- Global Industry Connections
- Live projects and consultancy assignment
- Student Exchange and Short Study Tours

NGI has the best balance of fantastic research facilities, bright-minded people and a great atmosphere for students. It makes me feel welcome.

- Anisha Chawla, B.Tech-CS

Infrastructure and Facilities

The Campus is a home to state-of-the-art facilities for students to enhance their learning experience. The buildings are aesthetically built, conforming to modern architectural standards. Huge gardens and open spaces provide the serenity of nature away from the urban hassles and pollution.

ADMINISTRATIVE BLOCK

It is the nerve centre of the campus. It begins with a reception area with a spacious visitor's lounge. The creative work done by the students also find a befitting place here. It consists of the Offices of the Chairman, Secretary, Director General and other key functionaries of NGI.

In addition to this, it houses the Registrar's Office, Main Conference Room, Corporate Resource Center, Accounts Department and Central Stores.

CLASS ROOM

Well designed, spacious and air conditioned class rooms facilitate teaching-learning process. Our classrooms are equipped with overhead and LCD projectors along with public address system with proper arrangements of Laptop power supply.

We have also provided ICT arrangements in the classrooms whereby the lectures delivered in the class are recorded on real time basis so that such lectures can be viewed later on, by an absentee student or for the purpose of revision.

LIBRARY

A voluminous library that supports learning-process and is equipped with a variety of textbooks, reference books, general books, periodicals by different authors, journals etc. is an asset to students. A number of foreign journals and periodicals are being subscribed to. Library-the

delight of a reader-has a digital section as well where students can have access to e-books, e-journals etc. This will naturally encourage our students to discover beauty and complexity of the world beyond their own experience.

LABS AND WORKSHOP

The institutes have set up laboratories for each department to enable students to learn valuable practical lessons. A spirit of enquiry is encouraged in these labs by knowledgeable mentors with the aid of sophisticated equipments and tools. Computer Labs have new generation computers where compatible operating systems and licensed softwares are used. Project Lab, Electronics Lab, Mechanical Lab, Communication Lab, Design Lab, Physics Lab and Chemistry Lab are among the well-maintained labs overseen by qualified and efficient lab in-charges.

SEMINAR AND CONFERENCE HALL

Seminar and Conference Halls are an assigned place where aspiring managers can interact with industry-experts and thought-leaders in conferences, workshops, seminars, debates mock-interviews and many other programs.

All Institutions of NGI have their respective Seminar Halls. They are well furnished and fully air-conditioned. These halls are equipped with latest audio-visual, LCD projectors and direct access to internet. Each has a seating capacity of 200 persons.

Facilities, Services, Access and Support

At NGI, we provide a supportive learning environment through our excellent range of facilities, services and support programs.

STUDENT CENTRE

On campus, Student Centre is the first point of reference for all student enquiries regarding academic progress and enrolment assistance, as well as for a range of support services, including access cards and lodgement of forms.

ACADEMIC SUPPORT

- 24-hour on-campus wi-Fi & computing facilities
- Learning Advisors
- Career Guidance Services
- Faculty Student Information Offices
- Off-campus Student Support Services

SECURITY AND PARKING

- 24-hours, 7 days a week security service
- Well-lit pathways
- Emergency phones
- Over 1,000 parking bays across the campus

FOOD AND RETAIL

- Bookshops
- ATMs
- Hairdresser
- General Items Kiosk

HEALTH AND WELL BEING

- Primary Medical Attention
- Ambulance Service
- Free Counselling Service
- Fully-equipped sports, recreation and fitness centres
- Gymnasium and playing courts
- Laundry Service

TEMPLE

Shri Neelkanth Mahadev Mandir has been built by the Management of NGI, at the periphery of the Campus. The temple is managed by a full time priest Morning and Evening Puja is performed every day. All religious occasions are celebrated with traditional fervor and fanfare at the temple.

TRANSPORT

Our campus can be accessed conveniently via public transport. Our Campus is just a five minute walk from NH-58, plus there is also a free shuttle service available between the campus and the NH-58.

Since its inception, the institute has provided a reliable transport facility for its students and faculty at affordable cost. Bus facility operates from all corners of the city of Meerut as also from selected points of the neighboring towns.

Sports Facilities

Sports play an important role in shaping up the personality and fitness of a person and to give a truly global experience to all the students, it is important for an institution to provide a reasonable array of outdoor and indoor sports facilities to keep students engaged and physically fit.

CRICKET

Cricket has become a cult sport in India and NGI campus is no different. The infrastructure related to the game includes a well crafted cricket ground adhering to BCCI standards with natural turf pitches as well as practice pitches.

BASKET BALL

Being one of the most popular sports on campus, basket-ball is played by a large number of students in the evening. A full- fledged basket-ball court has been constructed near the Cricket ground.

BADMINTON

Badminton is a popular sport among students. The badminton court is located in the student housing and being supported with floodlights, it is always full of players in the evening and on holidays. Currently, the institution is in process of providing two wooden indoor courts.

VOLLEY BALL

Volley Ball is a popular sport among students. To promote Volleyball, a volley ball court conforming to national standards has been constructed. Regular practice sessions have been started by the dedicated coach and the sport has invoked good response among girls and boys.

In addition to this, NGI campus houses a superb modern multipurpose facilities for Yoga, Dancing, Music, Meditation, Table Tennis, Snooker Pool etc. This is conveniently located near student residences, just a short walk from the main block.

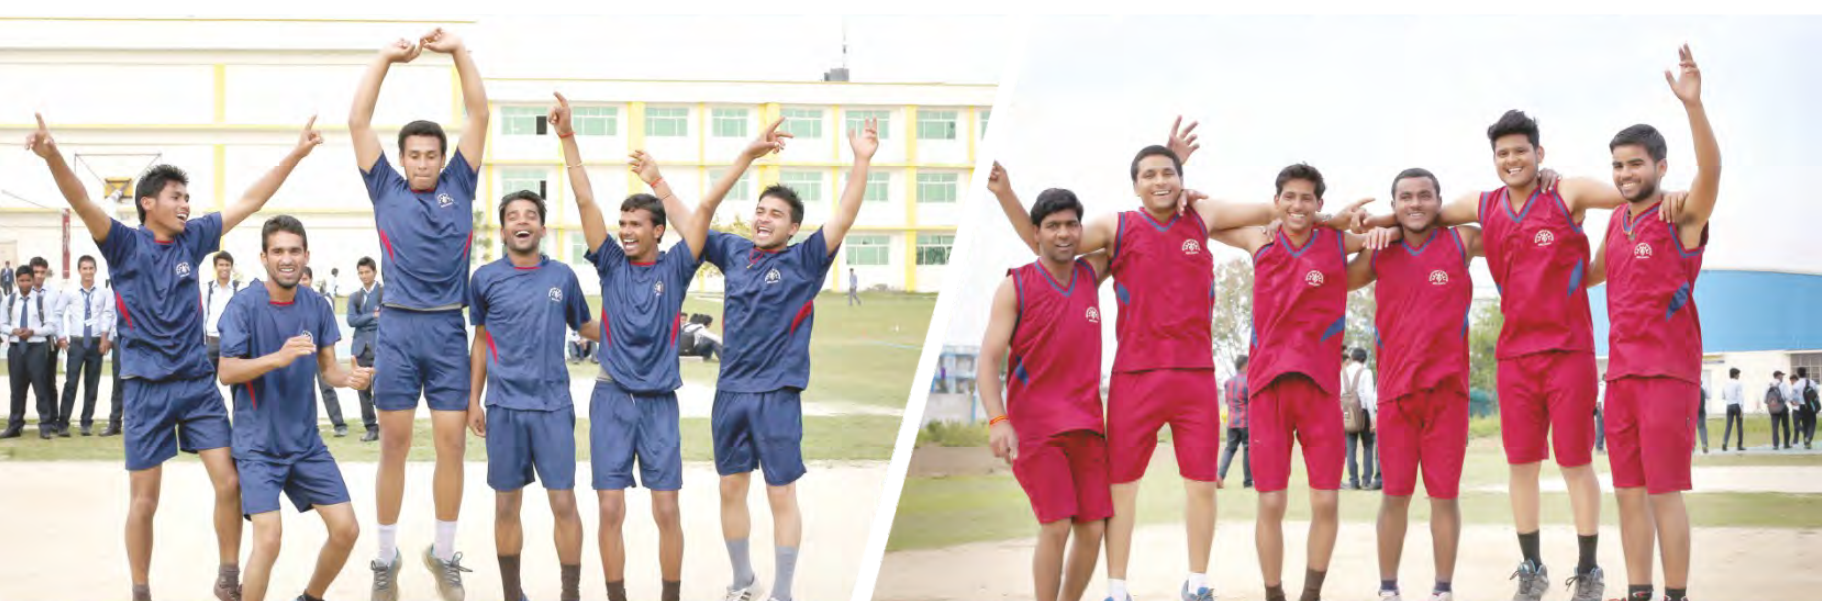

A newly refurbished fitness centre is there with a wide range of cardio and resistance equipments. The Centre offers a friendly and personal approach to Health and Fitness with services such as personal training, individual programme design, fitness training and nutrition advice under the supervision of an expert fitness trainer.

A full time Sports Officer and his subordinates manage the sporting activities and organize sporting events for the students on a regular basis.

OPEN SPACES

Nearly 2/3rd of the Campus land consists of Well laid and immaculately maintained Open Spaces such as Parks, Gardens and Playgrounds. They provide the calm and serenity which enables relaxation of mind and invoke positive thoughts in people.

The Gardens and Parks have been adorned with beautiful flower plants, environmentally friendly trees with manicured grass all around. Seating benches along with impressive garden lighting add to the charm of these open spaces.

Sports Events

Neelkanth Group of Institutions organized a T-20 cricket tournament in October 2014. The tournament enlisted participation of 16 cricket teams from Senior Secondary Schools of New Delhi, Noida, Ghaziabad, Modinagar, Meerut and Muzaffarnagar.

The Opening Ceremony of the tournament was graced by the benign presence of Mr. Pankaj Yadav, District Magistrate Meerut as the Chief Guest and Mr. Navneet Singh Chahal, Chief Development Officer, Meerut as the Guest of Honour. Bal Bharti International School, New Delhi emerged as the winners of the Tournament. The highlight of the tournament was the inspiring presence of Mr. Virender Sehwag, Member, Indian Cricket Team as Chief Guest at the Prize Distribution Ceremony. He presented trophies, medals and prizes to the players of

the Winner and Runner up Teams and complementary T-Shirts to all participants. In his brief address, he congratulated the winners and offered words of motivation and wisdom for the budding cricketers. He urged all the participants to play the game with a true sportsman spirit.

NEELKANTH CRICKET ACADEMY

The foundation of the Neelkanth Cricket Academy (NCA) was laid by Mr. Brijveer Singh, Chairman NGI in a spectacular ceremony held on 28th January, 2015 in the presence of Shri Rajesh Kumar, IAS, Vice-Chairman, Meerut Development Authority. The sole aim of NCA is providing quality cricket training, world-class cricketing infrastructure, and opportunity to learn from experts in the field of cricket. Presently, 160 aspiring cricketers are undergoing training in the academy.

The Office Bearers of Neelkanth Cricket Academy: Sh. Brijveer Singh, Chairman, Sh. Amar Ahalawat, President and Sh. Athar Ali, Secretary and Chief Coach.

Mr. Athar Ali is a renowned cricket coach of national repute. He has been imparting cricket training for more than 3 decades. He has shaped the cricket careers of many national and international players. He has coached many cricket prodigies like: Bhuvaneshwar Kumar & Karan Sharma who have earned a respectable place in the Indian Cricket Team. He has given 14 cricketers to Indian Railways team. 22 players coached by him have played in the Ranji Trophy and 5 players have played in the IPL T-20.

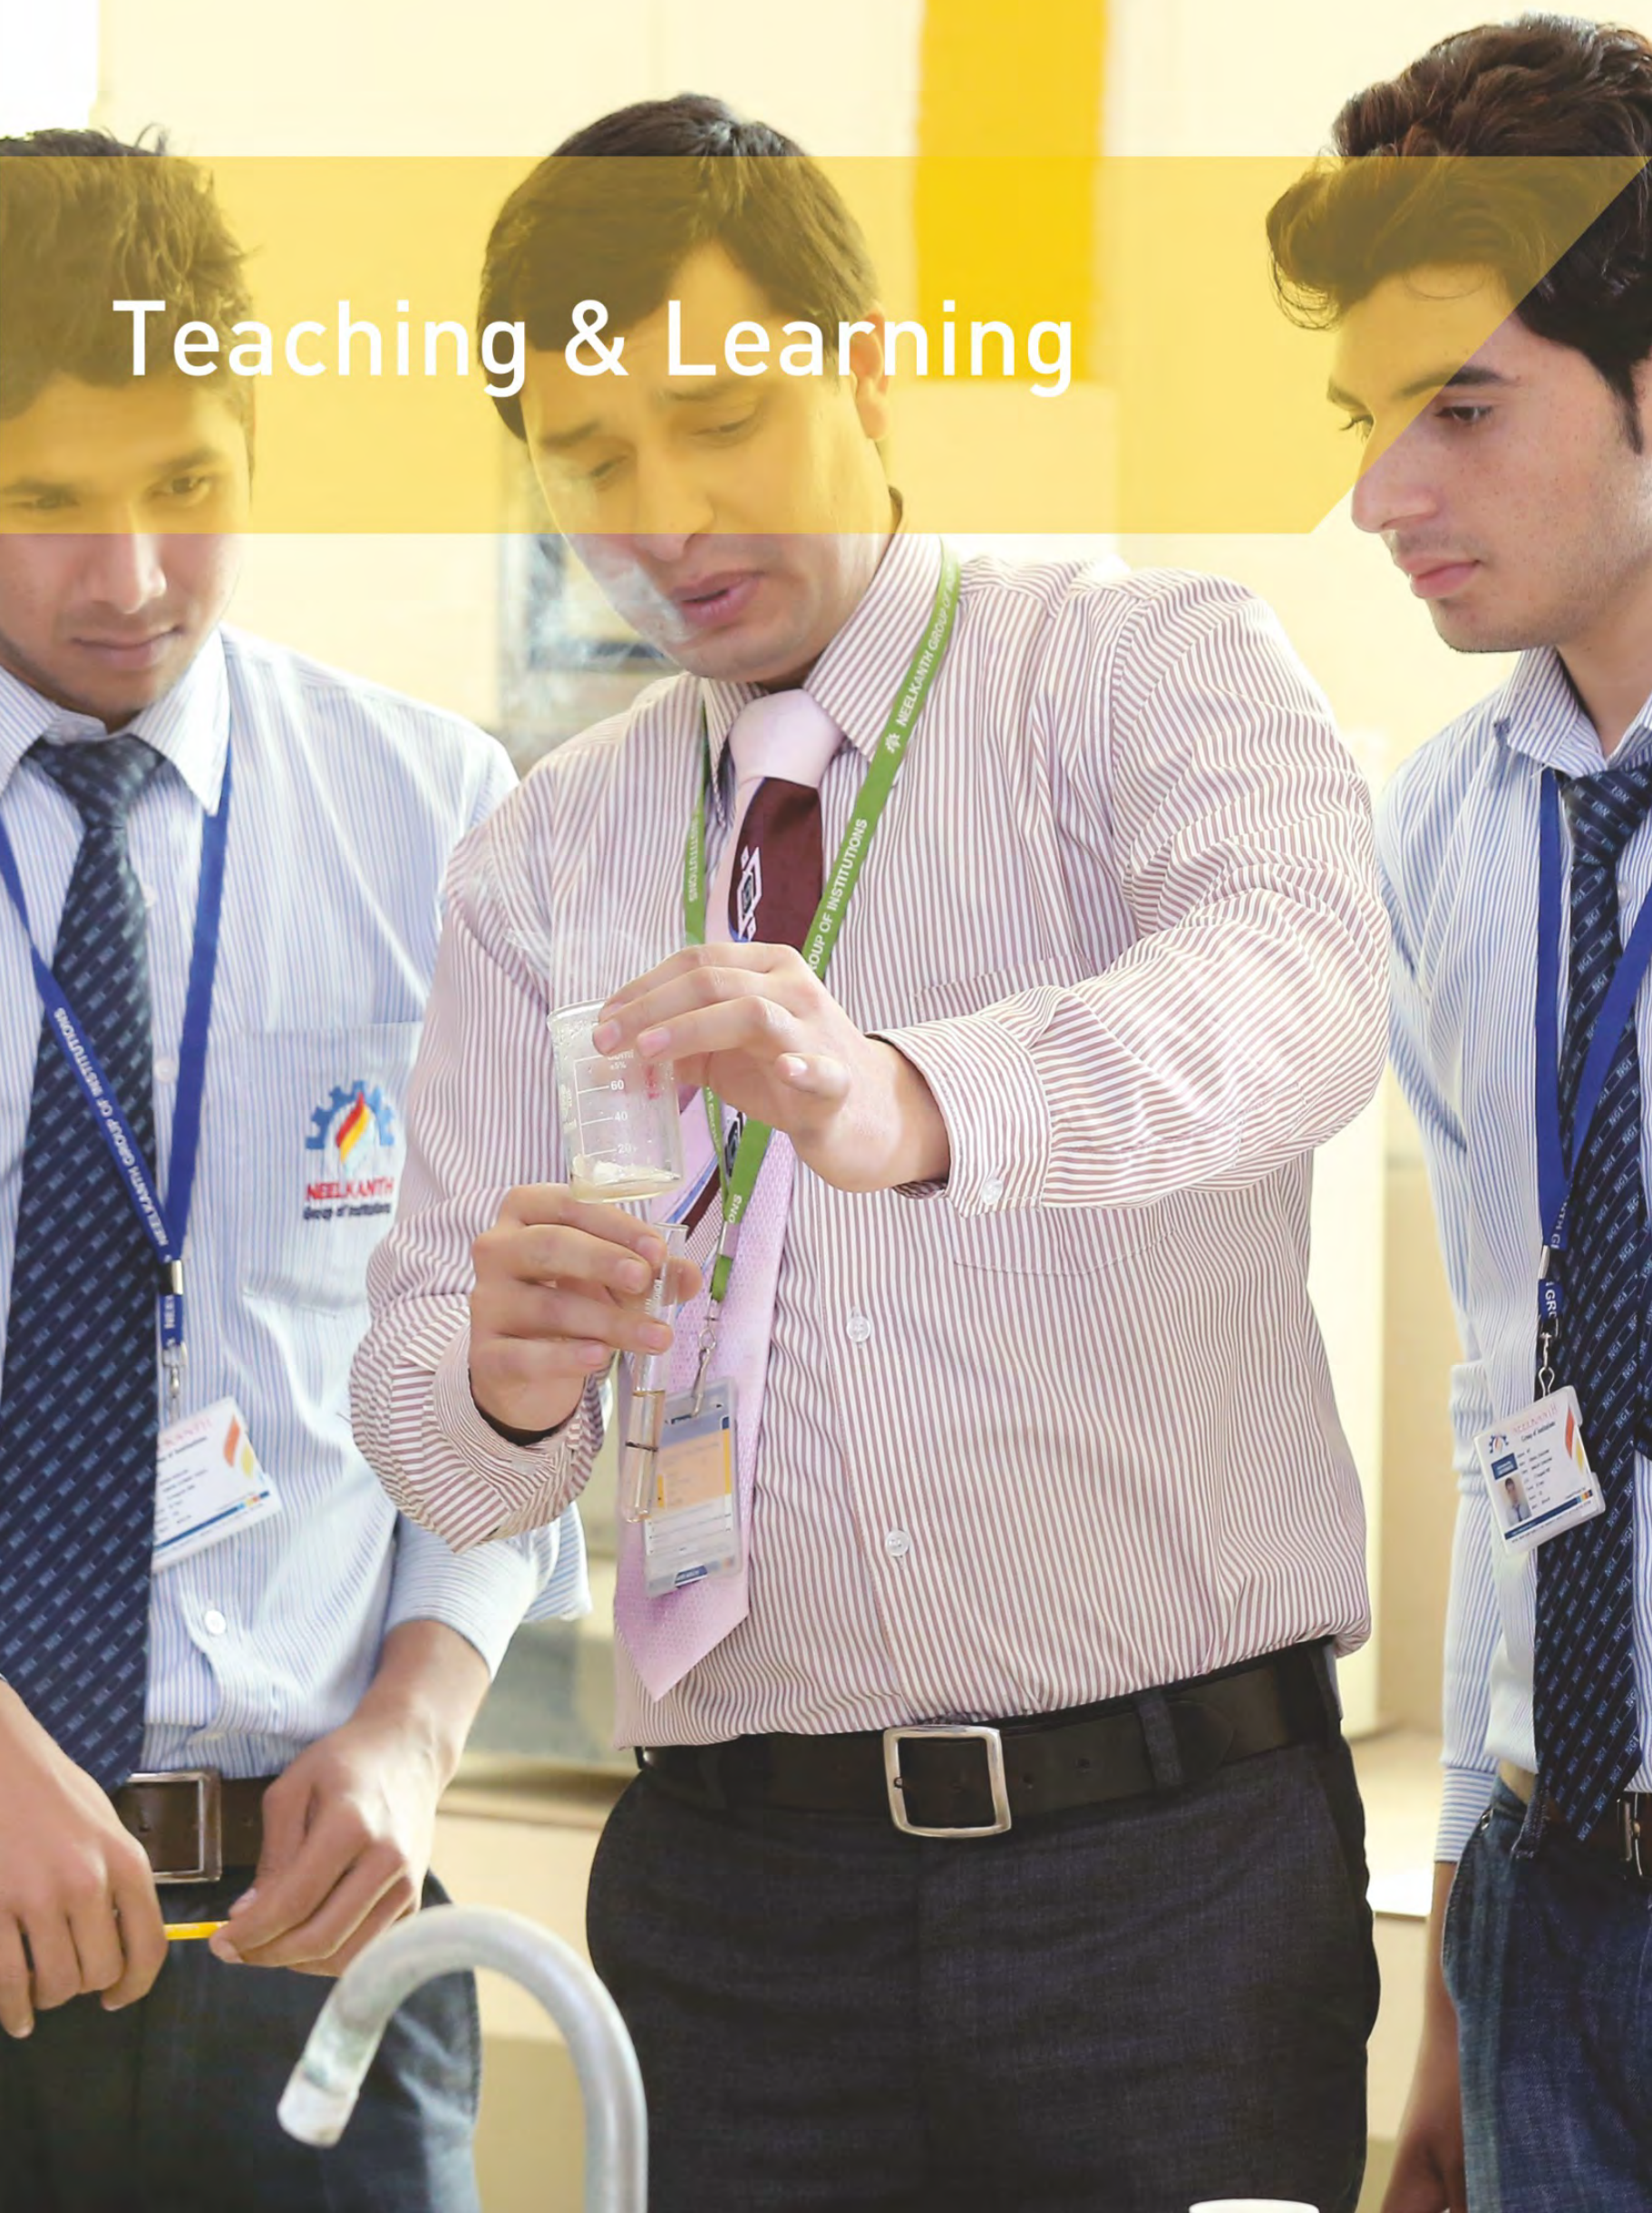

NCA has signed an MOU with Sehwag Cricket Academy, under which the infrastructure development aspects and conduct of cricket tournaments will be done in alliance.

Teaching & Learning

We offer you more than just a traditional learning environment, the faculty is capable of guiding the students inside the classrooms and in the labs. They motivate the students to learn concepts through empirical observations too. Innovative teaching-learning methods are used for grooming of future technocrats. Students can easily approach the faculty members to get any guidance if needed.

TEACHING

Depending on your chosen programme you could experience a wide range of innovative learning methods such as field trips, laboratory study, private and public sector assignments and group projects, supported by virtual learning environments.

You will also have access to:

- Lectures: are meant to introduce key ideas and concepts and are the primary teaching method of many courses.
- Seminars: used to explore ideas in greater depth through small-group discussion.
- Tutorials: provide guidance on specialised topics in even smaller groups.

You will be challenged intellectually and encouraged to develop your ability to work and learn independently. Through group project work you will also perform self-directed learning and gain the transferable skills such as:

Communication, Teamwork & Project Management to put your subject knowledge into practice and help you achieve your career aspirations.

FLEXIBLE LEARNING

With access to new inter-disciplinary modules on some of our degree programmes we give you the chance to study subjects from other areas that will

add a new perspective to your studies. For example, you could study business skills tailored towards employability, personality development, communication in a global world, or sustainability in local and global environments.

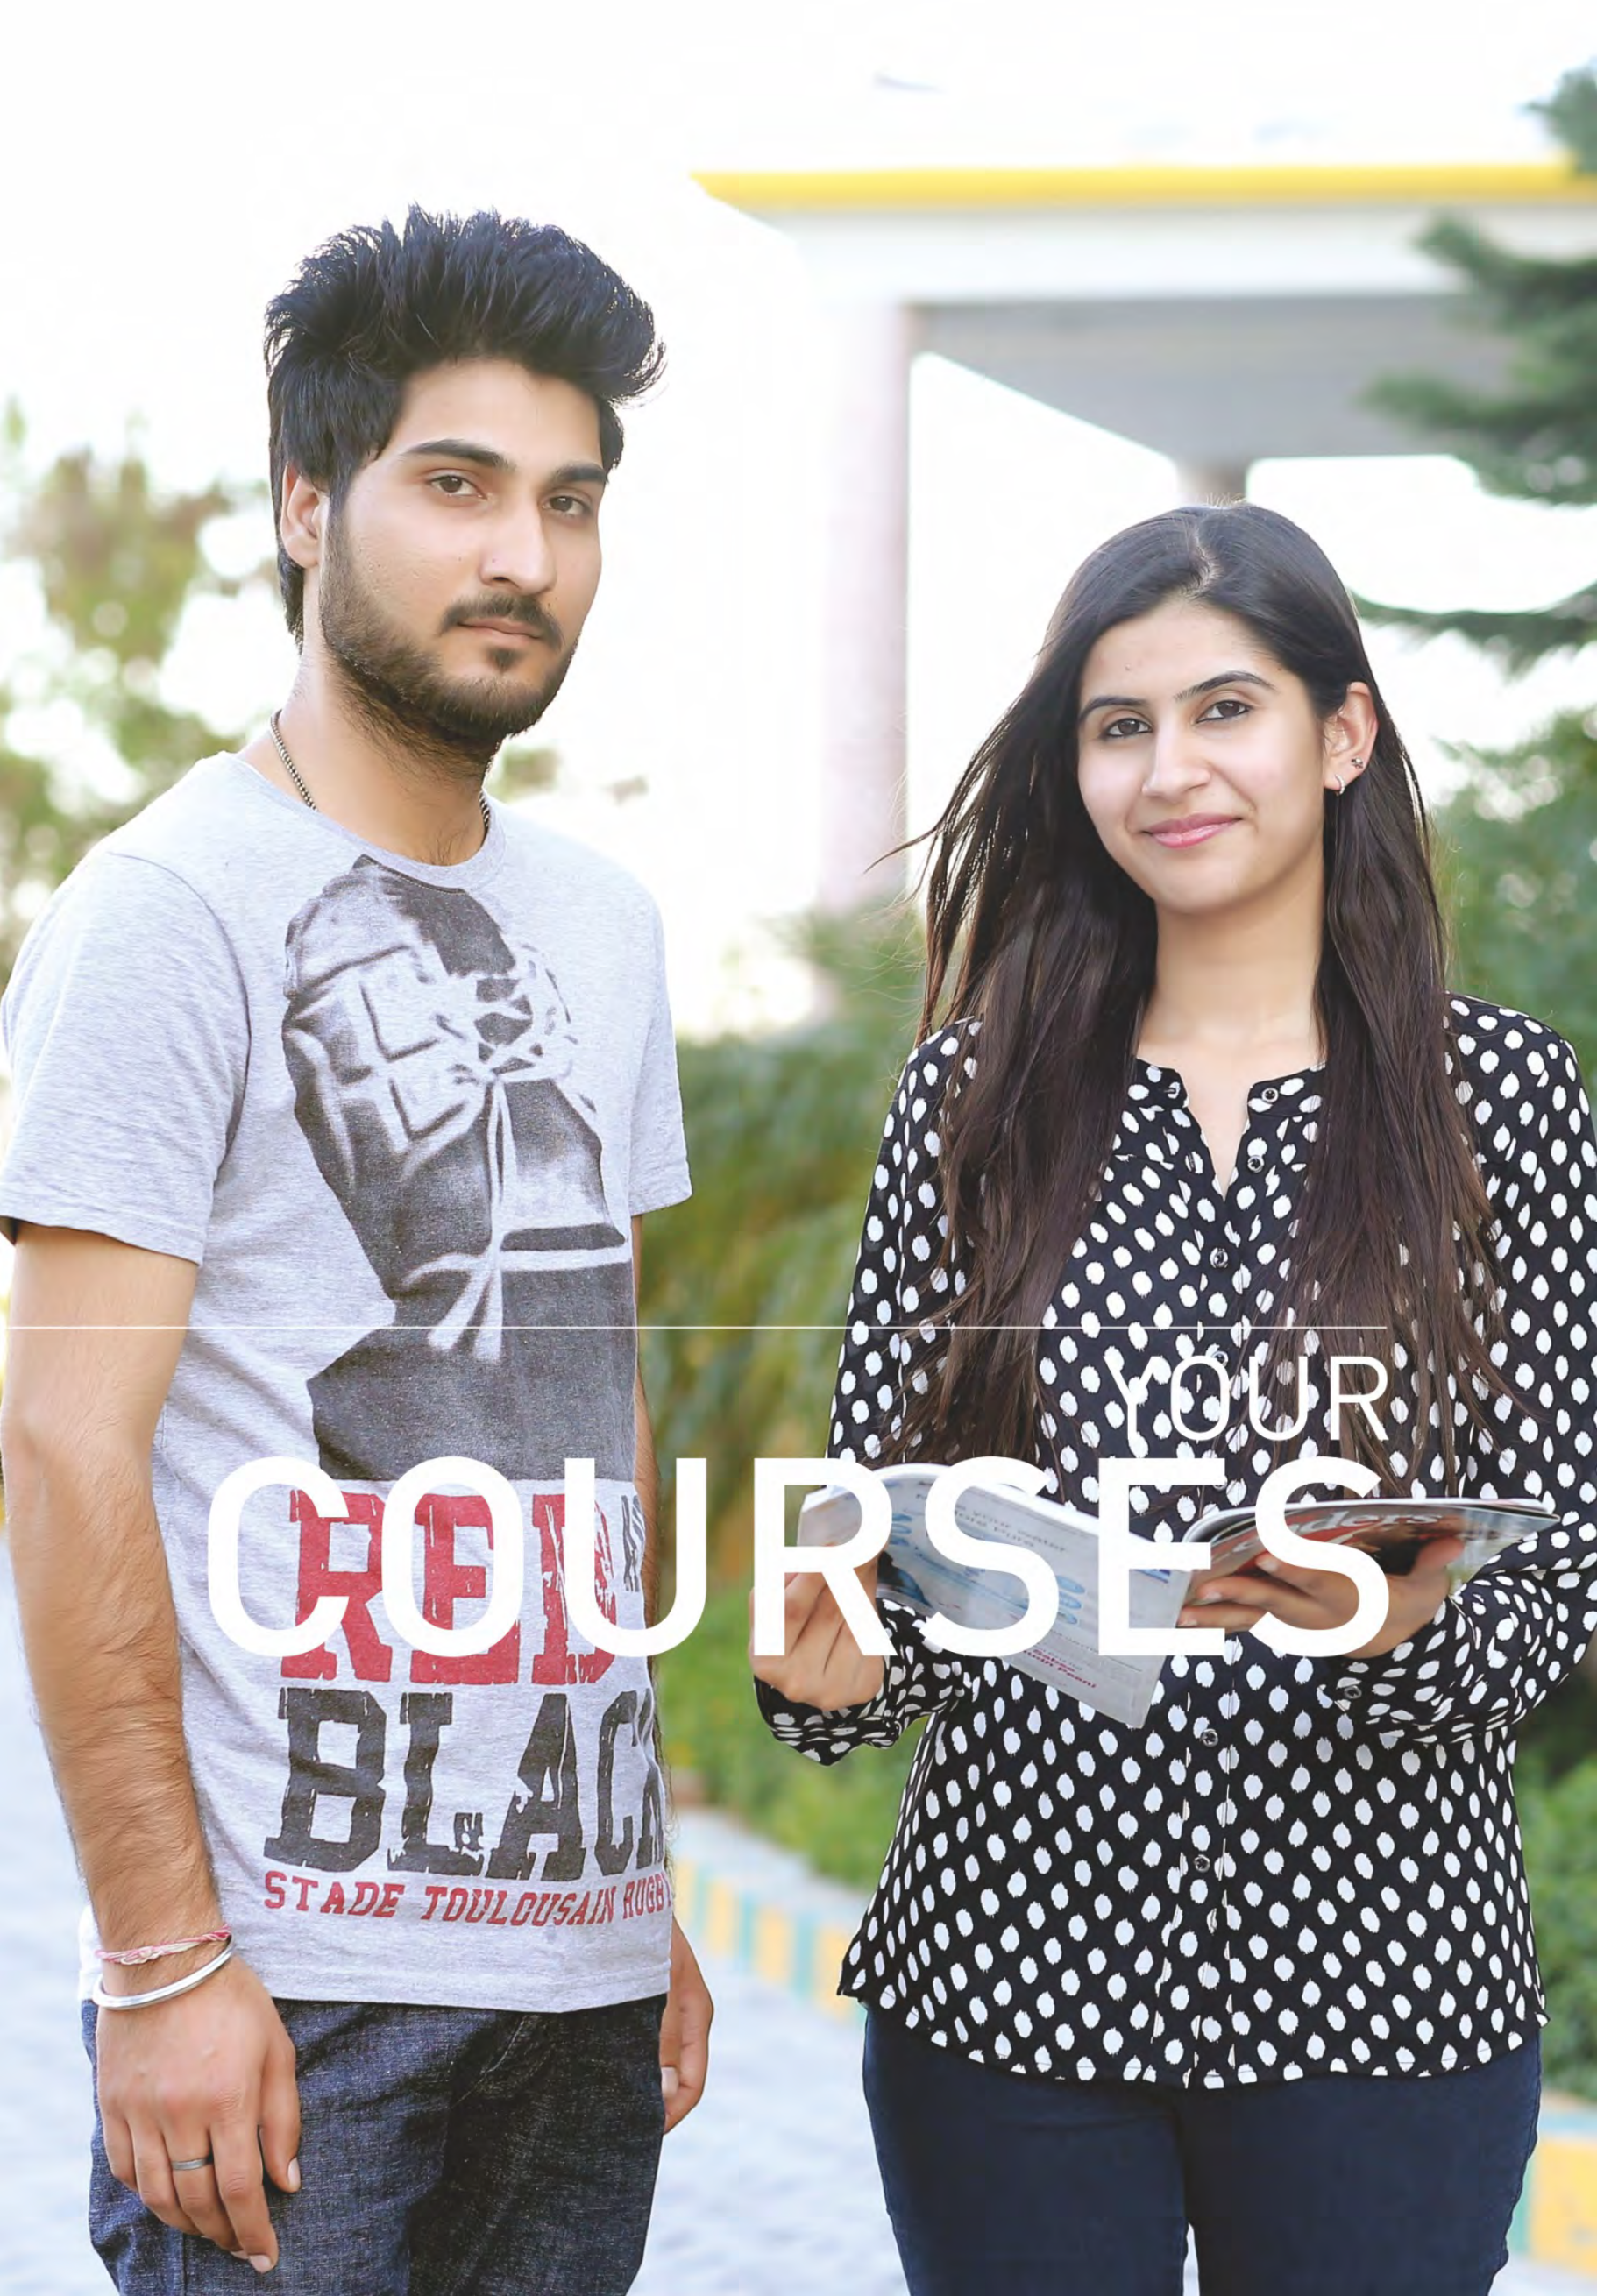

VIRTUAL LEARNING

With Wi-Fi across all you can access learning resources on the move. We provide a wide range of online learning resources, including specialised materials for your subject area to complement your lectures and seminars, as well as the opportunity to interact with experts in your field, and group project work.

At Neelkanth we have some of the best teaching staff in the country, who challenge you to reach your full potential. They encourage you to ask questions, think for yourself and draw your own conclusions.

-In 2104 KPMG has ranked us as one of the

CRC-The Placement Cell

PLACEMENT PROCESS

CRC department keeps on inviting various industries and reputed organizations for campus recruitment drives. The talent acquisition at Neelkanth Institutions is done through the following process:

IDENTIFY OPPORTUNITIES IN THE ORGANIZATION

CRC department contacts the organizations to find out their recruitment plan for the year. Alternately, the organizations intimate the CRC department about the available opportunities and appraise the CRC department of their skill set requirement in the form of job description through email or phone.

IDENTIFYING STUDENTS AS PER THE SKILL SET REQUIRED BY THE ORGANIZATION

CRC Department matches the profile of the students vis-a-vis skill set required by the organization. The shortlisted profiles are then sent to the organization for further short listing.

ON CAMPUS (CORPORATE VISIT THE CAMPUS) OR OFF CAMPUS (STUDENTS VISIT THE CORPORATE) DRIVES

On Campus or Off Campus drives are arranged, depending upon number of vacancies a corporate have for an open position.

PRE- PLACEMENT TALK

The Pre-Placement Talk/Company Presentation is an opportunity for the students and the organization to interact with each other, to clearly understand the job requirements, company expectations and job profile offered. The organization is requested to give a pre-placement talk covering the following aspects:

- Overview of the company and its operations
- Detailed Job Description
- Skill set required/looking for in a candidate
- Nature and period of training/probation, if any

- Compensation package offered
- Selection procedure to be adopted (generally comprises of written test/Group Discussion/Personal Interview).

FINAL RECRUITMENT

After following the selection procedure, the corporate selects the students and offer letters are given to the students with the joining date.

Till 31st March nearly 80 companies have conducted their drives in which 500+ students have been placed. The Average pay package offered to the students as are under:

ACADEMIC PROGRAMME	AVERAGE PACKAGE
B.Tech (ME)	Rs. 5.18 Lacs p.a.
B.Tech (Civil)	Rs. 5.35 Lacs p.a.
B.Tech (CS)	Rs. 5.12 Lacs p.a.
B.Tech (EC)	Rs. 5.22 Lacs p.a.
B.Tech (EN)	Rs. 5.08 Lacs p.a.
B.Tech (IT)	Rs. 4.78 Lacs p.a.
MBA	Rs. 4.46 Lacs p.a.
BBA	Rs. 2.46 Lacs p.a.
BCA	Rs. 2.68 Lacs p.a.

Polytechnic (EC)	Rs. 2.46 Lacs p.a.
Polytechnic (Electrical)	Rs. 2.18 Lacs p.a.
Polytechnic (IT)	Rs. 2.04 Lacs p.a.

Our Recruiters

Expert Speaks

Mr. Ankit Agarwal, Talent Acquisition Manager at world class customer management services firm Convergys says "Customer needs are changing and technology developments are placing greater demand on the industry". Outstanding interface skills, deeper domain knowledge and awareness of the business context has become a 'Must have' for today's professionals.

NGI is a true breeding ground of skilled professionals. The Conceptual knowledge and competence of its students speaks volumes about the education and training imparted at the institution. Recruitment drive at NGI is beneficial. It has fulfilled our need for talented and technically sound manpower. The students of the institution are eager to learn, are creative and well groomed.

Students Speak

Education at NGI has been a truly invaluable learning experience for me. I have learnt so much from all the constructive input and guidance throughout each lesson of the course. It has helped me to understand where

my strengths and weaker aspects lie. The activities at NGI helped me a lot with my communication skills, as well as overcoming my shyness.

Amit Kumar Mandal, from Jharkhand
NGI Master of Business Administration student

NGI educates in a very creative way and encourages us to think out of the box. The institution has not only helped us to excel in the academics but also teaches us a lot about different aspects of professional life and how to make most of it. The multi-cultural environment in the campus is awesome. It has been an exciting journey.

Ankit Shrivastava, from Nepal
NGI B.Tech Mechanical Engineering student

The best thing about studying here is the hands-on experience in labs. The lectures and tutorials are not only academically stimulating but also aligned to real-world situations which is extremely useful. The campus here is beautiful. There are lots of nice

places to read and relax while you study. Being away from the city means you are really able to concentrate, without distractions.

Dipayam Manna, from West Bengal, NGI B.Tech (CS) student

Higher Education isn't all about classrooms and exams. Socializing, having fun, making new friends, learning about other cultures - these are all important too. There is always something to do on NGI campus there are a lot of avenues to get refreshed and catch up with friends. There are also plenty of extra-curricular activities to get involved in and groom oneself.

Diksha Sharma, from Eastern UP
NGI Master of Business Administration student

I can positively say NGI has made me a better person. It has helped me develop a positive attitude towards my studies and discover more about myself. There is a higher reliance on independent learning here. However, our teachers are always around to steer us in the

right direction. The facilities offered here are highly supportive.

Kumar Avishek, from Bihar
NGI B.Tech, Computer Science Engineering student

Simply put, at NGI, we learn to learn. It is similar to the saying, "Give a man a fish and you will feed him for a day; teach a man to fish and you will feed him for a lifetime." At NGI, you gain knowledge but the most important values that you acquire are to be self-sufficient,

self-reliant, and self-innovative and to be the best at what you do.

Qaaser Ahmad Malik, from J&K
NGI B.Tech, Computer Science Engineering student

Accommodation

Hostel

At NGI we offer a completely self-contained residential accommodation, with a 500-bed award-winning Students Hostel in the campus. Living on campus is fun, safe and convenient – you'll need a five-minutes walk to your lectures.

ACCOMMODATION

The sprawling campus houses separate hostels for Boys and Girls. These hostels include AC Rooms as well. The hostel rooms are adequately ventilated and well maintained. Adequate security arrangements have also been made, with its operation overseen by an on-site Head of Institution.

There are large common rooms, a reading room and a pleasant garden. Institution's wireless internet access is available 24 X 7 throughout the complex with 100% power back up and vehicle parking. The hostel facility is priced economically with a view to offer it advantageously.

MESS

The hostels have their individual Mess. Every care has been taken to ensure availability of nutritious, sumptuous and hygienically cooked food to the students residing in the hostels. The housekeeping in the kitchen and the dining room, the ingredients and the meals are inspected and examined regularly by the respective Hostel Wardens. Special Meal is served on Sundays.

CAFETERIA

Amidst the lush green lawns, the institute's oval shaped cafeteria is situated. Along with delightful beverages and snacks that it serves, one can relax by watching the LCD TV or listening to soulful music. Quality control is stringently exercised in respect of food items sold in the cafeteria.

GYMNASIUM

The Sports Complex having an ultra modern gym armed with state of the art fitness equipment has been established in the campus. The gym is run under the supervision of an expert fitness trainer.

HOSTEL FACILITIES

- Comfortable and Spacious Rooms
- Modern and Hygienic Kitchen
- Nutritious and Healthy Food
- 24 X 7 Security
- Wi-fi Connectivity and Round the Clock Internet
- Standby Power Generators
- Non-Stop Water Supply
- Medical Attention
- General Items Kiosk
- Play Grounds and Gymnasium

Every year around 500 students enjoy the experience of living on campus. Most say they make friends for life as a result.
