#### It is a very good college because of teachers, infrastructure and facilities, etc.

**Placements:** Placements in our college are good. Around 20-25 members in a batch got selected in placements. We also did internships in some of the companies in Hyderabad and Bangalore. I can't describe the salary packages which were offered.

**Infrastructure:** We have a good and decent infrastructure in our college, and the campus is WiFi enabled. We have a good infrastructure in the labs. and they are good at providing practical knowledge. We have decent classrooms

4.2   Placements 4   Infrastructure 4   Faculty & Course Curriculum 4   Crowd & Campus Life 5   Value for Money 4

#### The campus is really good.

**Placements:** About 90% of students in our course got placed. The highest salary offered was Rs. 80,000 per month and the lowest salary offered ranges between Rs. 20,000-25,000 per month. Top recruiting companies like Mahindra, Kia and Wipro visit our campus for placements. Top roles, like software engineer, mechanical engineer, civil

#### Finally, it's quite good college in our zone when compared to others.

**Placements:** Once in every 2 months, once they will conduct placement drives, and also they invite other college students for mega placements drives, it's really a nice opportunity to get jobs. Overall, the placement department is good. Our directors play a very important role in placing the students.

**The college has good infrastructure and placements. It is an enjoyable place.**

**Placements:** The college will generate good placements in my college like HGS, etc., and it will always try to get new companies for placements to generate employment for their students. It will give vast placement training courses for their students to get passed in interviews.

**Infrastructure:** The infrastructure of the college is very good and big in the whole Kurnool. It has more than 2

**My suggestion is better to join this college.**

**Placements:** HDFC, Airtel and marketing managing directors visit our college to conduct campus placements. Some of my friends got placed, and they are most helpful, and often they interact better. Mainly the campus placements are awesome in a straightforward manner.

**Infrastructure:** The amenities like Wi-Fi and laboratories are good, and the college ground is also good. The faculty

**The faculty members are well-experienced.**

**Placements:** The college conducts the placement drives every year, for the students of 2nd year MBA. Some of the companies conduct the drives and recruit the students. The roles offered are junior HRs, marketing department and finance department. The average salary offered was Rs. 15,000 per month, the highest salary offered was Rs. 21,000 per month and the lowest salary was Rs. 12,000 per month. The stipend offered to the students during the internship is Rs. 20,000.

**Good and excellent college to study.**

**Placements:** The placements are provided by the top companies like Karvy, Genpact and others. Most of us and other colleges' students participate and get jobs with the nice salary. The internships are good, up to the mark. All are excited and effective at placements to show their skills at job opportunities.

**It is good as compared to other colleges in Kurnool because it is good in the discipline.**

**Placements:** The placements are good. Now, in this month, we are going to attend three major placement drives of companies like LIC, Karvy, Jiojet, Financial services, etc. We get the placement drives about the salary of the maximum of Rs. 23,000 per month and the minimum of Rs. 18,000 per month. In the previous year, the online shopping company Amazon took 25 students from our college, and their salary package was about 3 lakhs per annum.

Hi,

Yes you can, but you need to clear CAT or ICET entrance exam.
